Springer International

In 1869 the Archives of Dermatological Research was founded as Archiv für Dermatologie und Syphilis by H. Auspitz and F. J. Pick. Continued and edited by A. Neisser, L. v. Zumbusch, J. Jadassohn, W. Pick. Vols 1 – 127 (1920) published by Braunmüller, Vienna; as of Vol 128 (1921) by Springer, Berlin.

From 1921 until 1973 organ of the Deutsche Dermatologische Gesellschaft (Vereinigung deutschsprachiger Dermatologen). As of Vol 201 (1955) published as Archiv für klinische und experimentelle Dermatologie.

As of Vol 240 (1971) as Archiv für Dermatologische Forschung / Archives for Dermatological Research.

As of Vol 253 (1975) as Archives for Dermatological Research / Archiv für Dermatologische Forschung.

As of Vol 261 (1978) as Archives of Dermatological Research / Archiv für Dermatologische Forschung.

As of Vol 264 (1979) as Archives of Dermatological Research.

Submission of a manuscript implies: that the work described has not been published before (except in the form of an abstract or as part of a published lecture, review, or thesis); that it is not under consideration for publication elsewhere; that its publication has been approved by all coauthors, if any, as well as by the responsible authorities at the institute where the work has been carried out; that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of the copyright to the publisher; and that the manuscript will not be published elsewhere in any language without the consent of the copyright holders.

All articles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article (e.g., as offprints), as well as all translation rights. No material published in this journal may be reproduced photographically or stored on microfilm, in electronic data-bases, video-disks, etc., without first obtaining written permission from the publisher.

The use of general descriptive names, trade names, trademarks, etc., in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations.

While the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the authors, the editors, nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special regulations for photocopies in the USA:

Photocopies may be made for personal or in-house use beyond the limitations stipulated under Section 107 or 108 of U.S. Copyright Law, provided a fee is paid. This fee is US\$ 0.20 per page, or a minimum of US\$ 1.00 if an article contains fewer than five pages. All fees should be paid to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 0340-3996, the volume, and the first and last page numbers of each article copied. The copyright owner's consent does not include copying for general distribution, promotion, new works, or resale. In these cases, specific written permission must first be obtained from the publisher.
